#700 “Agricultural Export Transportation Workbook”

\$8.00

Authors: Ellen M. Welby and Brian McGregor, 1997 – 138 pages

Description: This handbook provides an overview of export shipping, and offers agricultural shippers the information they need in a concise, user-friendly format. The focus is on shipping high-value or value-added agricultural products, but also includes limited information on bulk commodities. A resource list is included as well.
